INFORMATION DISCLOSURE STATEMENT

Pursuant to 37 C.F.R. § 1.97, Applicant hereby calls the Examiner's attention to the document listed on the attached form, which document may be material to the examination of this application.

No inference should be drawn that any apparatus or method disclosed is equivalent to the subject invention. Also, the citation of the above-discussed document is not to be construed as an assertion that more pertinent art could not possibly be in existence. Citation of the document herein is not to be construed as an admission that any subject

matter disclosed in the document is necessarily within the inventive field of endeavor, that

any disclosure is necessarily prior in time to a particular date which may be relevant to the

instant patent application, and/or that any disclosure is otherwise necessarily prior art with

respect to the instant invention.

Applicant also respectfully reserves the right to later set forth how the instant

invention is distinguished over the disclosure of any document or other art, including the

disclosure of the document discussed herein, that may be cited by the Examiner in

rejecting a claim in the present patent application.

This Information Disclosure Statement is being filed after the filing of a Request for

Continued Examination and before the mailing date of a first Office Action after such RCE

filing. Consequently, as provided in 37 C.F.R. § 1.97(c), a fee under § 1.17(p) is not

enclosed. However, if any fees are required, authorization is hereby given to charge

Deposit Account No. 50-1039.

Respectfully submitted,
